# SECURITY & VALUE DELIVERED!

## > The HSOS Gate *"High Security, none of the headaches"*

The HSOS gate system is designed to protect high security assets. With Arma Gate's modular design, high security can be delivered in a fraction of the cost, in a fraction of the time, with none of the headache and all of the security one would expect from Arma Gate.

## > Box Frame *"Adding value to value"*

Arma Gate's box frame gate builds on Arma Gate's EC142 already great value and makes it even more useful. Our box frame system converts your Arma Gate EC142 into a box frame gate for extreme opening and extreme wind loads. Arma's box frame gate takes an already great value and doubles it.

## > Ornamental panels *"Entry control with elegance"*

Arma gate's ornamental infill panel stuns the market with its beauty and intelligent design. Our ornamental panel is not only sight to behold but also ASTM F2200 compliant for automation-ready installations. Say goodbye to secondary chain link infills and say hello to Arma Gate's ornamental infill panels.
